Winemaker Notes

This wine leaps from the glass with rich tropical fruit notes of peaches, mango, pineapple, vanilla oak, and hints of butterscotch. This wine truly dances and has a fantastically complex and gorgeously rich palate of ripe fruits and beautiful acidity which carries the wine through to a long, lingering, crisp, butterscotchy finish. Opens up with air.

Reviews and Recognition

VineSugar: ★★★★★

Aromas of stone fruits with hints white peaches and cold steel. The flavors are pleasant, **round** and creamy. Apples and vanilla with a touch of butterscotch throughout the **palate** and **finish**. Nothing **complex** but straightforward in the right places. An enjoyable, everyday white wine. (05/2007)
